

We at Mithras Global are environmentally conscious and do our best to achieve a balance between responsibly running a business, being sustainable advocates and engaging in our communities through volunteerism and pro bono work.

At Mithras Global, we recognize that Pro bono work is important for the greater good and helps in keeping the communities, we live and work in, both healthy and vivacious. At Mithras Global, we believe it is our duty to extend affordable high quality legal services to underserved communities. We value charitable giving, community involvement, civic engagement, and supporting the efforts of non-profits and low income entrepreneurs.
